Melissa Gallagher Photography tells the story of your Wedding Day

CAPTURE THE SPIRIT OF YOUR WEDDING day with Melissa Gallagher Photography.

From the spontaneous to the arranged, I will capture the moments that make your day unique and special. As a preferred wedding photographer for the Lenox Hotel, Boston, Massachusetts, my unobtrusive and relaxed working style creates a collaborative atmosphere and a comfortable working relationship in which to create personalized art. My portraits are both candid and creative.

PERSONALIZED PLANNING SESSIONS

I am committed to providing personalized photographic services.

In our first meeting, we will review my portfolio and discuss how you would like to have your wedding day recorded. During our second meeting, we

will consider the timeline, the details of the wedding day events, and any special photographic requests. After your wedding day, we will meet to review first editions of your wedding day photographs.

NO FILM TYPE RESTRICTIONS: FILM AND DIGITAL CAPTURE

You can have your wedding captured on color or black and white film or on high-resolution files, or any combination thereof.

WEDDING ALBUM

To commemorate the special occasion, wedding albums are available in various styles and sizes.

ONLINE WEDDING PHOTO GALLERY

For your convenience, your wedding day pictures are displayed on an online Wedding Photo Gallery. The Web site enables family and friends to view your wedding day and to order prints electronically.

DIGITAL ART WORK

Digital art work is available and produced by special request on a case-by-case basis.
